Scope and Content Note:

This collection contains business papers, correspondence, receipts and deeds from the firm of Hamilton and Taber, including Cyrus Taber's correspondence with Allen Hamilton. Much of the correspondence regards business, various Indian treaties, railroads, politics, and the settlement of Hamilton's estate following his death in 1864. Materials date from 1788 through 1963, with the bulk of the collection dating from Allen Hamilton's career. Materials are arranged chronologically, with business records filed together with the small amount of personal papers in the collection. Personal papers in the collection include those of Allen Hamilton's son Andrew H. Hamilton (1834-1895) from his time as a student and as a United States Congressman (1875-1879), and family correspondence dating from the 1820s through the early 1900s.
